# Mandla's story

Mandla was a 12 years old princess who left us due to a tragic accident. Mandla (Mandy) was sweet, smart, sensible, respectful, funny, caring, humble, intelligent and full of energy and above all she loved to uplift others and give back to the community.

Mandla dreamed to be a mom of 4 and become a doctor.

Mandla had an extraordinary impact on everyone. she knew so today we are honouring her life through a variety of social projects mainly directed towards children and people in need.

# Message from the Founder

*As I reflect on the year 2021, I am filled with gratitude and love for the incredible journey we've shared. Mandla's Foundation has continued to thrive, inspired by the memory of my beloved daughter Mandla.*

*This year, we celebrated Mandla's Day in a unique and special way. Due to the pandemic, we encouraged everyone to celebrate in their own way, sharing their experiences with us. It warmed my heart to see how Mandla's legacy continues to inspire and touch lives across our community.*

*Our foundation has been blessed with new partnerships, including Girls Inc. of Northern Alberta, which enabled us to collect and distribute toys to local children during our second Christmas Toy Giveaway.*

*I extend my heartfelt appreciation to each and every one of you who has supported us through donations, volunteering, and spreading the word about our mission. Your kindness and generosity have made a tangible difference in the lives of those we serve.*

*I would also like to acknowledge our financial situation. While we received a total income of \$4,204.04, our expenses totaled \$6,138.98. Although we exceeded our income, we remain committed to our charitable endeavors and are exploring ways to increase our funding and support.*

*As we look to the future, I am excited to build on the momentum we've established. I invite you to join us on this journey, as we continue to honor Mandla's memory and make a positive impact in our community.*

*Thank you for being part of the Mandla's Foundation family. Together, let's keep shining Mandla's light and spreading love, kindness, and compassion.*

# Support

Mandla's Foundation is grateful for the continued support from our community and partners. We appreciate the various support that have helped us amplify our impact

We thanks Diversity Magazine for the opportunity to share Mandla's Foundation's story especially Claudette Fidler and our ESP family. Special thanks to Verna Murphy, Rory O'Hearn, Beverley Tjarera, and Frankline Agbor.

We're also grateful for community fundraising initiatives, such as the Bottle Drive Cash donation. The Social Activism Club at Ecole St Paul's shoe collection in honor of the 215 children found in Kamloops BC, was a heartfelt tribute to Mandla's legacy.

# New PartnerShip

Mandla's Foundation is thrilled to announce its new partnership with Girls Inc. of Northern Alberta. This collaborative effort aims to collect new, unwrapped toys throughout the year in honor of Mandla Zatcha Youaleu-Mbomback. The collected toys were distributed to local children aged 6-18 during the second edition of our Christmas Toy Giveaway in December. Donations were graciously accepted at our location: 17B - 10019 MacDonald Avenue..

# Mandla's day

We celebrate Mandla's Day annually. In 2021, despite the pandemic, we encouraged everyone to commemorate Mandla's Day in their own unique way and share their experiences with us. We invited people to pay tribute to Mandla by emulating her selfless spirit and passion for helping others.

Mandla's name signifies "POWERFUL," and she embodied this quality throughout her life. To celebrate her legacy, Mandla's Mom, Mireille Zatcha, released balloons and enjoyed a picnic with loved ones, including Mbwani and Mlaika.

# Mandla received Special Visits

We would like to extend our heartfelt gratitude to everyone who took the time to visit us and pay their respects to Mandla's memory. Your love, support, and presence meant the world to us, and we are deeply thankful for the kindness and compassion you have shown us. Your visits were a testament to the impact Mandla had on our lives, and we are grateful to have shared that experience with all of you.
